

A close-up photograph of a wooden bench and desk. The bench seat is made of light-colored wood and is positioned above a desk. The desk has a white top and a wooden frame. The image is cropped to show the corner of the desk and bench.

Zee

Bench Desk

SOME CALL IT
SMART CASUAL
OR SCANDINAVIAN,
OTHERS CLASSIFY
IT AS URBAN LOFT
OR INDUSTRIAL...

MEET ZEE

Zee is one of the new generation. A desk that still works hard, but helps you to make working more fun.

Zee offers you the perfect balance between work and home. This is the desk that makes itself comfortable in any workspace, the desk that brings the outside-in, seamlessly blending nature and design.

A UNIQUE BENCH DESK SYSTEM

Designed with the individualist in mind, Zee is created for those that care about both looks and functionality.

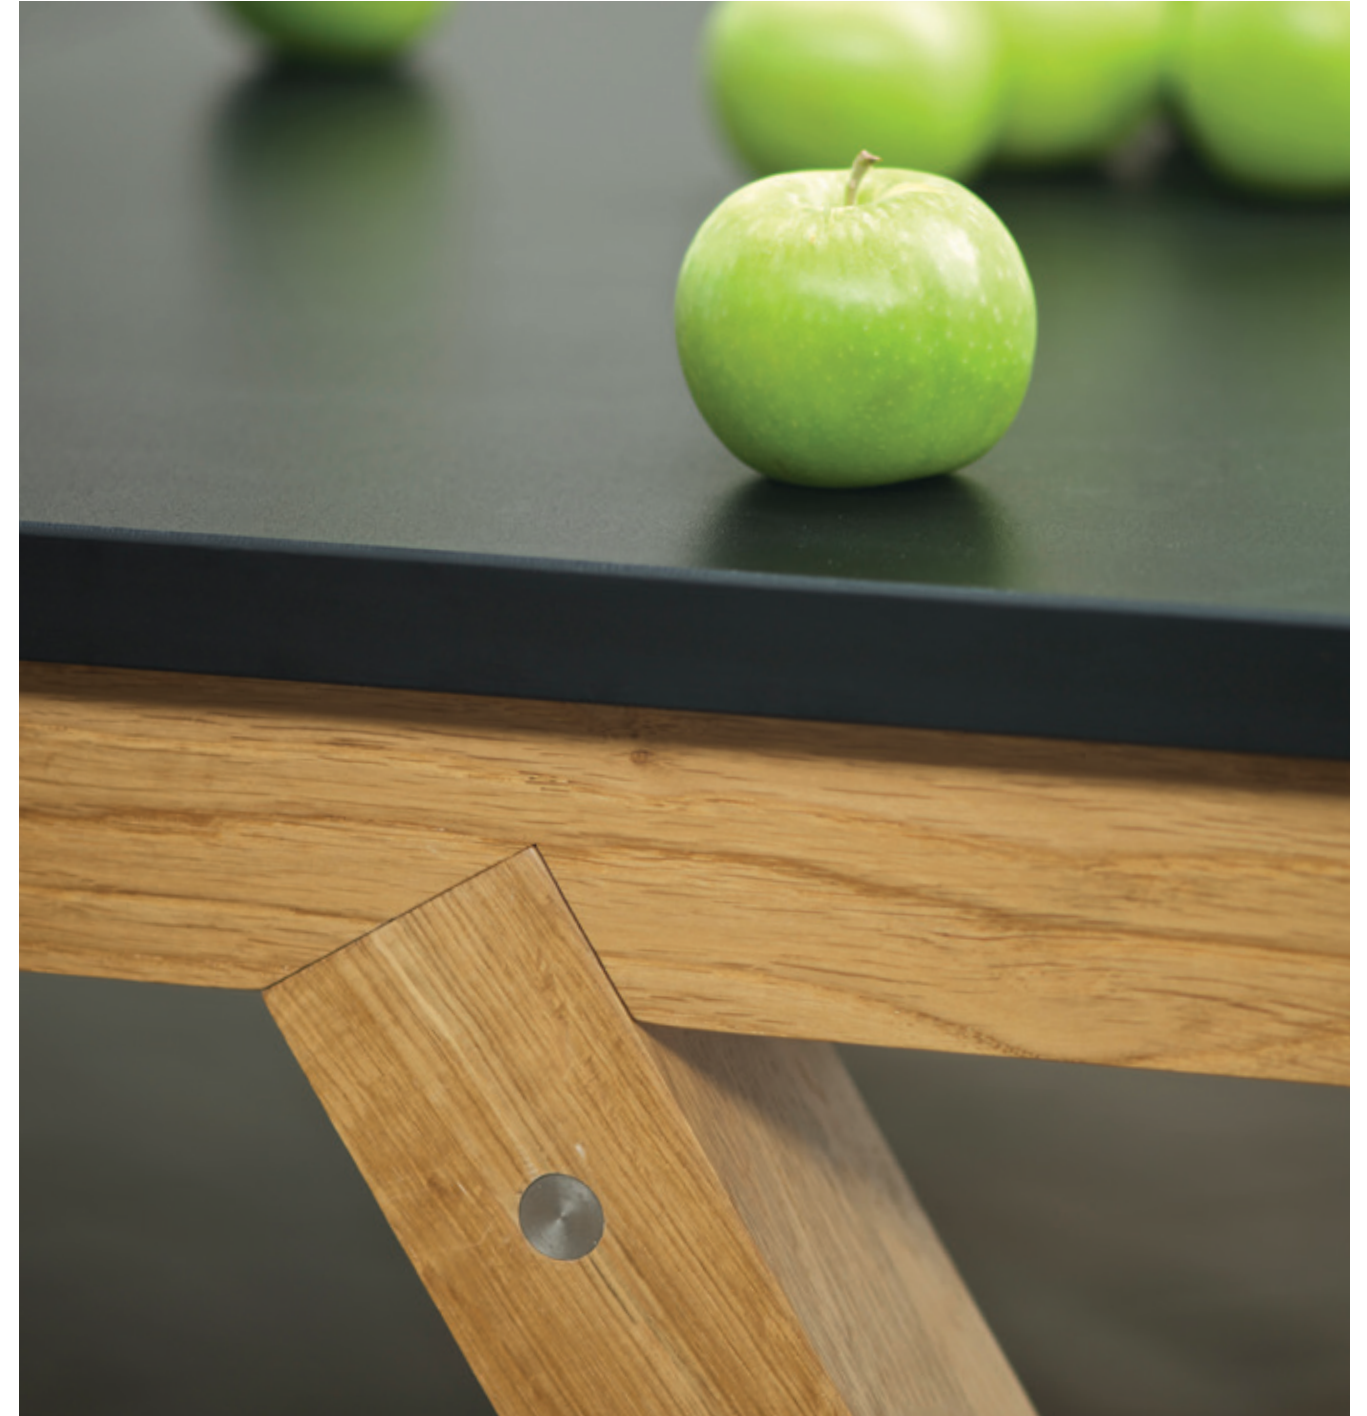

There's more to Zee than meets the eye.

Underneath the beautiful design lies an extremely durable core. Zee is constructed from top quality FSC certified materials.

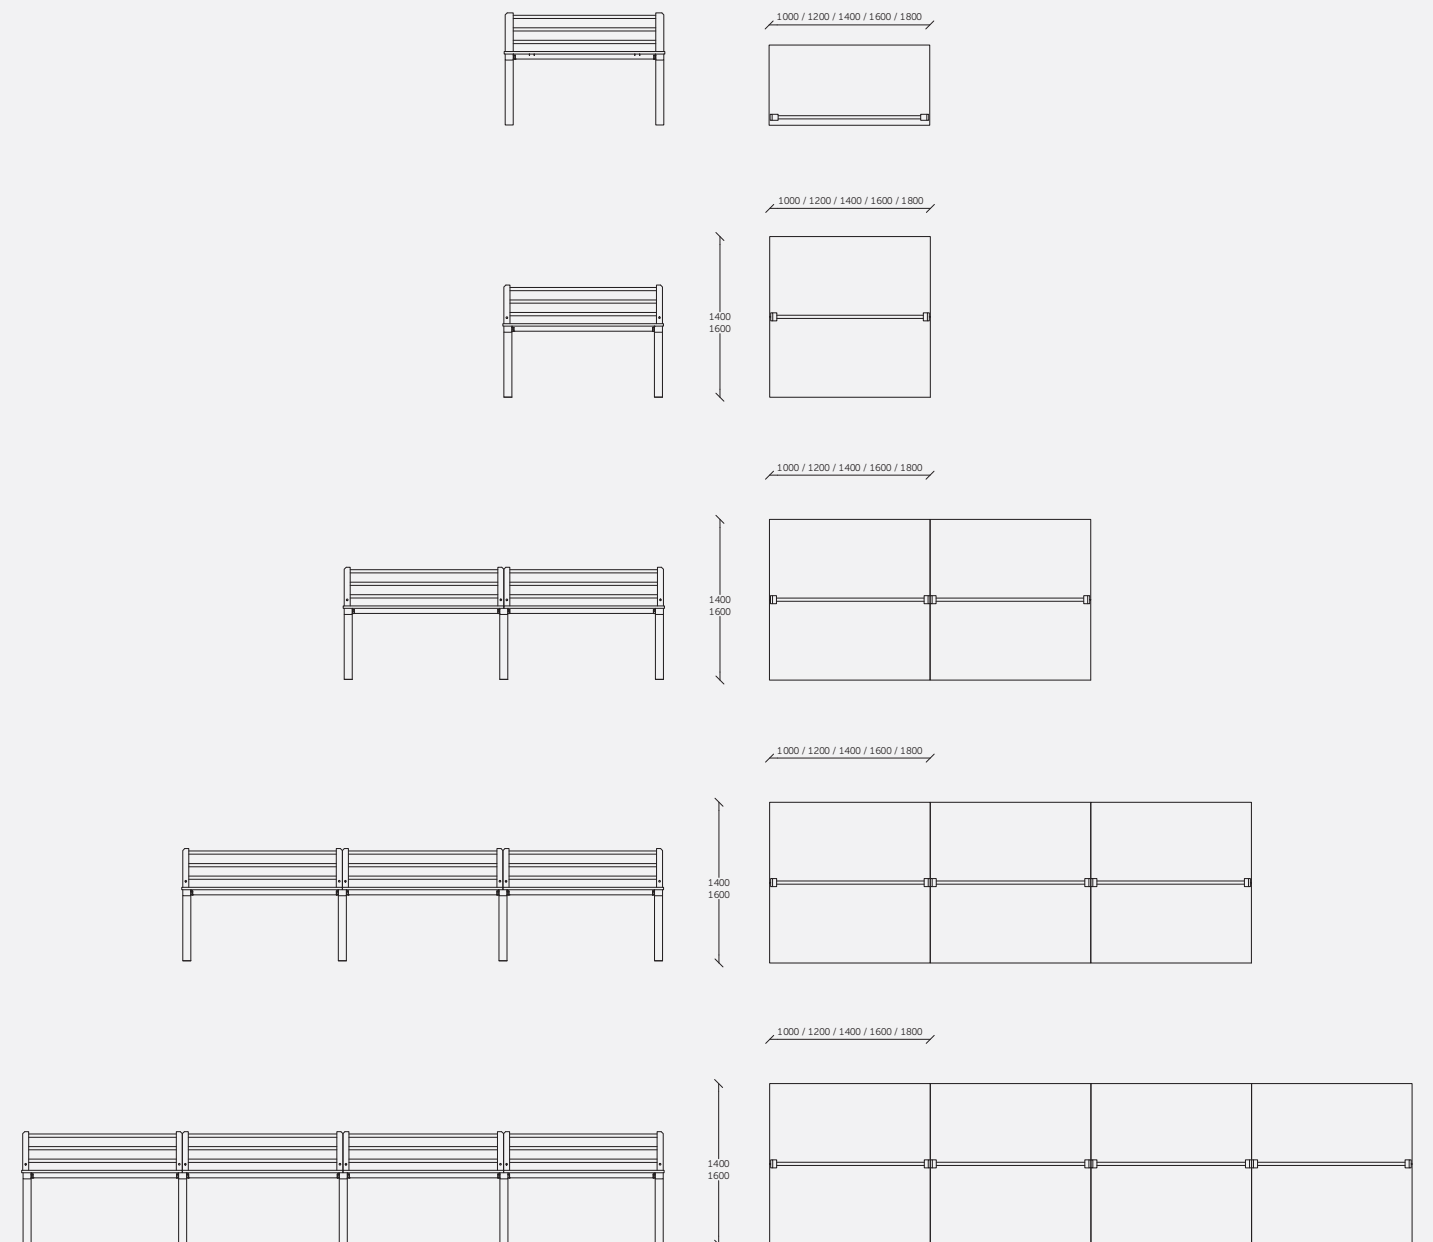

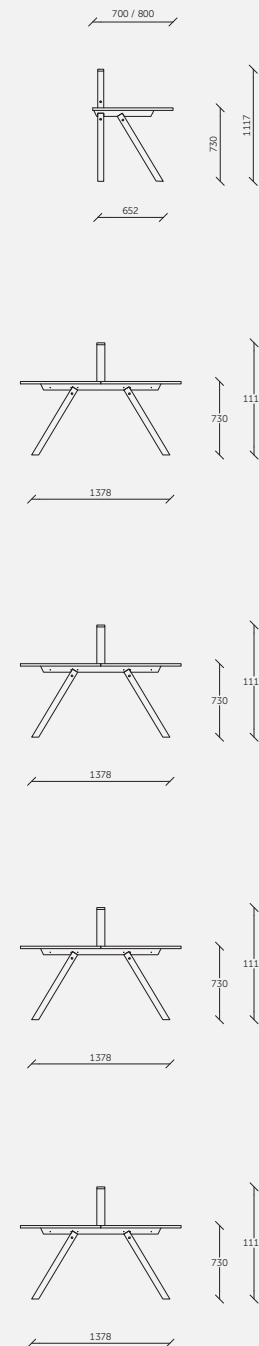

GROWING YOUR TEAM IS EFFORTLESSLY EASY.

Find Zee online, and
download the CAD blocks
online at spacestor.com

With a wide range of different top options, Zee can be fully integrated into any design, allowing you to create a workspace environment that is as unique as the desk itself.

Desktop materials

All commercially available finishes may be used with Zee.

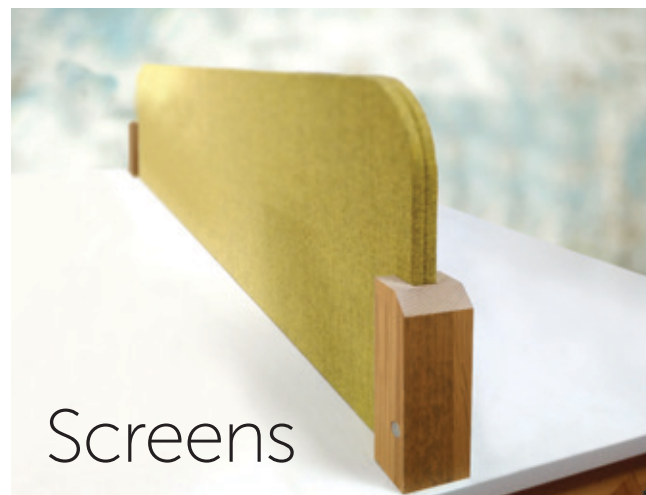

Base materials

European oak leg frame and black powder-coated steel under-frame. Alternative leg frames also available.

Accessories

Optional post and rail accessories system. Personalise with upholstered screens, pin boards or white board. Capacious cable tray comes as standard.

Screens

Versatile slotted screen upholstered in the fabric of your choice.
